West Jordan, UT 84088

[ONLINE SNAP PLAN](#)

STUDENT NEIGHBORHOOD ACCESS PROGRAM

Ascent Academies of Utah's West Jordan Campus is located at 5662 West 8200 South in West Jordan. The campus will serve approximately 816 students in grades K-9.

Most students will arrive and depart in carpools or guardian vehicles. Patrons are asked to follow the schools designated Drop Off and Pick Up procedures to ensure students safety and the efficiency of traffic flow through the area.

It is estimated an average of 100 students will walk or bike to and from school. Students that walk or bike are encouraged to follow the below maps outlined safe walking routes and always use the sidewalk.

Students living east of 5600 W. in the Princeton Park area should use the crosswalk on the west side of the school property to travel south from the school across 8200 S. Then students should proceed east on 8200 S. and south on 5600 W. to use the designated crosswalk. Once on the east side of 5600 W. students should travel north to the trail. They should then take the trail east until they reach Macks Inn Circle and travel north on Island Park Drive to their residential road. If students live south of Island Park Drive they should continue on the trail until they reach 5420 W and proceed south until they reach their residential road.

Students living south of 8200 S. and west of 5600 W. in the Bloomfield Farms Park area should use the crosswalk on the west side of the school property to travel south from the school across 8200 S. Students should travel west on 8200 S. until they reach Sky Meadows Drive and then proceed south until they reach their residential road.

Minus the safe traveling routes outlined above, the school advises against students walking or biking to and from school, especially during heavy traffic time periods on the roadway. Parents and students who decide to walk or bike to and from school should follow the safest routes possible using sidewalks or crosswalks to reach nearby residential neighborhoods.

Parents who choose to allow their students to walk or bike to school are encouraged to travel these routes with their children to determine the safest route possible.

Parents who choose to allow their students to walk or bike to and from school will assume responsibility for all risks involved. Travelers should obey all traffic lights, laws, signs, and signals and cross carefully and legally to enter and exit school grounds.

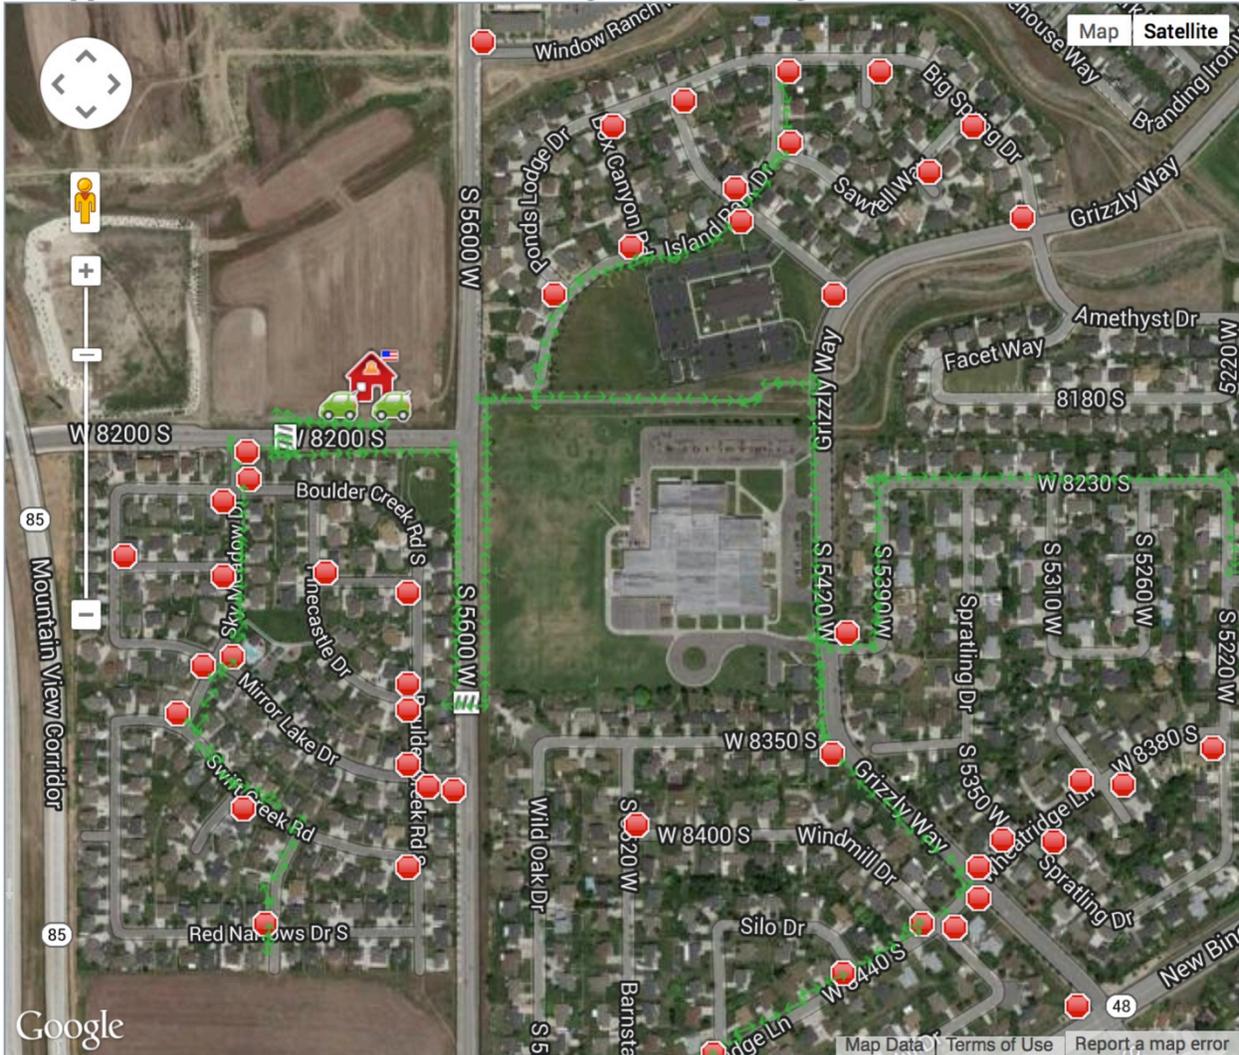

Note that the speed limit along 8200 S. is currently 25 mph due to

construction but may increase, and the area is not a designated School Zone. We ask that parents not park in this area to increase parking lot visibility and student safety.

These routes are for the immediate area around Ascent Academies of Utah's West Jordan Campus and are not exhaustive. Please contact the school for additional information regarding safe traveling routes.
